

**Modern passenger vessels for sale by open tender
SIMARA ACE (built 2007) and SILUNA ACE (built 2008)**

The vessels, designed by Yran & Storbraaten, were built by present Owners to a very high specification with diesel-electric propulsion.

Offers to be received within noon CET on Thursday September 30th 2010.
Owners reserve their right to sell the vessels earlier.

Both vessels can be inspected in Helsingborg, Sweden by prior arrangement.
For further details including Owners' draft terms please contact
GRIFONE SHIPBROKERS AB acting as Owners' exclusive brokers by appointment.
